PETITION TO WITHDRAW ABANDONMENT UNDER 37 C.F.R. §1.181

A Notice of Allowance for the above-identified patent application was mailed to the Applicants on June 8, 2005. On August 4, 2005, the issue fee for the subject patent application was paid by facsimile transmission of the Issue Fee Transmittal form (PTOL-85) to the United States Patent and Trademark Office (USPTO). Accordingly, the issue fee was paid before the deadline on September 8, 2005. However, the payment of the issue fee was not entered into the online Patent Application Information Retrieval (PAIR) system of the USPTO and to date still has not been entered. The Applicants were informed upon making an inquiry by telephone to the Office of Petitions that the subject patent application became abandoned for failure to pay the issue fee within three months of the mailing of date of the Notice of Allowance. The abandonment date of this application is believed to be September 8, 2005 (3 months from the mailing date of the Notice of Allowance).

The Commissioner is respectfully requested to withdraw the abandonment of the subject patent application and issue it as a patent. This request is being made because the Applicants paid the issue fee in a timely manner on August 4, 2005. The timely payment of the issue fee is evidenced by the Certificate of Mailing or Transmission that was executed by Mary A. Nicoloff on August 4, 2005, when she transmitted the issue fee to the USPTO by facsimile. A photocopy of the Issue Fee Transmittal form (PTOL-85) authorizing payment of the issue fee and which includes the Certificate of Mailing or Transmission executed by Mary A. Nicoloff is attached hereto as Exhibit A.

The Applicants received an "AUTO-REPLY FACSIMILE TRANSMISSION" from the USPTO in confirmation that the facsimile transmission of the Issue Fee Transmittal form had been received by the USPTO at 9:53:49 AM (Eastern Daylight Time) on 8/4/2005. A photocopy of the AUTO-REPLY FACSIMILE TRANSMISSION is attached hereto as Exhibit B. The facsimile confirmation receipt from the facsimile machine of the attorney for the Applicants showing that the facsimile transmission was received at 571-273-2885 (the USPTO facsimile number for issue fee payments) on 8/4/2005 is also attached hereto as Exhibit C as further evidence that the issue fee was paid in a timely manner.

As still further evidence that the issue fee for the subject patent application was paid in a timely manner, Mary A. Nicoloff has signed an affidavit that she executed the Certificate of Mailing or Transmission for the Issue Fee Transmittal and filed it in the USPTO on August 4, 2005 by facsimile transmission. The Affidavit of Mary A. Nicoloff is being submitted herewith as Exhibit D.

Acknowledgement that this petition has been properly received and that the subject patent application will now be issued as a United States patent is respectfully requested.

It is not believed that any fees are required for filing this petition. However, the Commissioner is authorized to deduct any fees that may be required from Deposit Account No. 07-1725.

Respectfully submitted,

Attorney for Applicant(s)
